## COCONUT GROVE, FLORIDA: HISTORIC, CHARMING & SERENE

Founded in the late 1800s and characterized by its tree-lined streets, lush parks and gracious residences, Coconut Grove has long been favored by artists, intellectuals and those seeking an oasis of tranquility within reach of Miami's legendary excitement.

Coconut Grove's lush waterfront parks and marinas combine to create a classic South Florida lifestyle, where it's easy to spend days at leisure in the region's tropical climate. From sunset sailing and tennis to biking or running along miles of trails and pathways, Coconut Grove is a place for people who love to embrace the outdoors.

Locals and visitors also enjoy a vibrant cultural and culinary scene that encompasses everything from private galleries to a year-round calendar of festivals and events in celebration of art, food and music.

With ancient trees and verdant parks, the heart of Coconut Grove is a picturesque place to spend time catching up with friends over brunch, sip cappuccino at an outdoor café or drift in and out of shops.

## ICONIC WATERFRONT LIVING

In Miami's early days, most commercial transportation took place on the water. Automobiles were rare, and roads were primitive. While times have changed, the waters off Coconut Grove continue to be well trafficked, with residents and tourists relaxing, working and playing on Biscayne Bay. No matter the reason, a number of Grove marinas accommodate amateur and professional boaters, and the bay plays host to some of the world's most important regattas.

**Mr. C Residences represent a modern vision of Old World simplicity and stylish European glamour.**

Steps away, classic waterfront living invites you to spend hours and days luxuriating in tropical beauty. Yachting excursions, fishing expeditions or simply basking in the sun are among the many delights of this enchanted place.

## Ignazio and Maggio Cipriani Mr. C

Mr. C is a hospitality and residential property brand founded by brothers Ignazio and Maggio Cipriani. Members of the fourth generation of the Cipriani family, internationally renowned for restaurants, landmark event spaces, lounges and residences, Ignazio and Maggio were uniquely qualified to conceptualize a hospitality and residential brand that would bring the best of Old World and modern luxury together for today's most sophisticated clientele.

Both brothers Ignazio and Maggio had experienced hospitality on an international level while working for the family business, and this greatly influenced the development and vision for the Mr. C brand, ultimately defining the feel and ethos. This mindset is a commitment to making today's Mr. C experience effortless through sophisticated design, Old World simplicity, and European glamour.

As young travelers commuting between Europe and the United States, the brothers began seeking out ideal locations to launch and grow their brand. They selected the classically elegant community of Beverly Hills in Los Angeles to introduce their first Mr. C hotel. It was followed by New York City with Mr. C Seaport, and Miami with Mr. C Coconut Grove.

# MR. C STORY

MODERN LUXURY  
BY THE FOURTH  
GENERATION OF  
CIPRIANIS

"Mr. C represents a modern vision of Old World simplicity and stylish European glamour."

– Ignazio Cipriani

In 1931, on a tiny street off of Venice's magnificent Piazza San Marco, Giuseppe Cipriani opened Harry's Bar. In the decades that followed, its welcoming atmosphere and thoughtful attention to detail made this intimate space an iconic destination for stylish locals and international visitors, including a who's who of European royalty, literary figures and global celebrities.

Today, almost 90 years later, brothers Maggio and Ignazio Cipriani, members of the fourth generation of the Cipriani family, have drawn on their rich familial history as well as their own 21st-century perspectives to create Mr. C, a luxury hospitality and residential brand for glamorous modern living.

Mr. C hotels and residences live up to the highest standards of design and are set in the most extraordinary global locations. Honoring the approach to service that began in their great-grandfather's single, thoughtfully conceived bar on Calle Vallarossa, the brothers have made personalized attention offered with genuine care an integral part of Mr. C's DNA.

#### Signature Mr. C Cuisine + Cocktails

Mr. C restaurants feature cuisine inspired by the Italian kitchen and prepared using the finest, freshest regional and imported products. The atmosphere is gracious, and the service is impeccable, allowing guests to fully enjoy the company of their dining companions.

#### Elegant Service and Personalized Experiences

Whether guests are traveling for business or pleasure, or a bit of both, they find beautifully designed and equipped amenities for health, wellness and relaxation. Fitness centers, pools, spas, terraces and gardens cater to every mood and whim.

Service delivered with care and discretion is at the heart of Mr. C's hospitality philosophy. From a personal welcome by lobby staff and bartenders who shake the perfect cocktail, to housekeepers with an eye for detail, residents and guests are treated to every comfort.
